The best part is that you don't need prior knowledge of the music notation The Virtual Piano music sheets use plain English alphabet and simple semantics, so you can enjoy the experience of playing the piano instantly.. Virtual Piano is fast becoming a form of expression and communication between different cultures and regions of the world – crossing language, space and time.. Since its inception, Virtual Piano has been used as a learning tool in the world's most prestigious schools – it has helped young children to get a feel for music – it has been the stepping stone for some of the world's greatest artists.
